

# I FOUND THE CURE // HOSPITALITY

Travel party usually consists of 6 persons in 1 or 2 cars, unless discussed differently in advance.

I Found The Cure would appreciate a loading and **free parking space** for the van at the venue or event.

I Found The Cure would like to make use of a backstage room with space for spare equipment and a dressing room, with a mirror and a free WIFI connection.

## **Lunch or dinner**

I Found The Cure would appreciate a lunch or dinner if they have to be present between 11.00h and 21.00h.

- We have 2 vegetarians in the travel party.
- No meals with goat cheese or blue cheese please.

*\* Allergy note: 1 vegetarian person has an orange allergy.*

A buy-out of €15,00 per person is ok.

## **In the green room**

Before and after the show, I Found The Cure would appreciate to have in the green room:

- 12 Small bottles of water (with and without bubbles)
- 1 Bottle (1,5l) of CocaCola, Lipton Ice Tea or Fanta
- 48 Bottles of local beer
- 1 Bottle of red wine
- 1 Bottle of dry sparkling wine
- 12 Bottles of non-alcoholic local beer
- 2 bags of chips
